

Coroner's Autopsy

Friday 23 October 2009

(Provisional programme – 5 CPD credits)

To be held at The Royal College of Pathologists, 2 Carlton House Terrace, London, SW1Y 5AF

The aim of the meeting is to focus on current problems in the conduct of routine Coronial postmortem examinations and to offer practical advice and assistance for pathologists carrying out such cases. The meeting is specifically aimed at providing practical solutions to the common types of problem cases routinely encountered in Coronial autopsy practice.
