

Coroner's Autopsy

Tuesday 21 September 2010

5 CPD Credits

To be held at The Royal College of Pathologists, 2 Carlton House Terrace, London, SW1Y 5AF

Provisional programme

The aim of the meeting is to focus on current problems in the conduct of routine Coronial postmortem examinations and to offer practical advice and assistance for pathologists carrying out such cases. The meeting is specifically aimed at providing practical solutions to the common types of problem cases routinely encountered in Coronial autopsy practice.
