

Haematology Trainees Research Day

An RCPATH/BSH Event

Wednesday 10 March 2010

To be held at The Royal College of Pathologists, 2 Carlton House Terrace, London, SW1Y 5AF

Provisional programme

This meeting offers haematology trainees in medicine and clinical science guidance and advice on how to pursue and integrate research in their training. It is aimed at trainees who are considering applying to undertake a period of research in the near future. The objective of the meeting is to provide practical guidance on how to go about obtaining funding, seeking the right post and obtaining ethical approval.
