

Problematic Low Grade Lesions in Histopathology

Programme organised by **Dr Sanjiv Manek**

Friday 5 November 2010 5 CPD Credits

To be held at The Royal College of Pathologists, 2 Carlton House Terrace, London, SW1Y 5AF

The aim of this meeting is for each specialist to highlight and talk about up to five 'low grade' histopathological entities that cause diagnostic problems in their specialty. The emphasis will be on how to tackle these difficulties in everyday practice. It will also be an opportunity to present new entities and concepts as well as old and new diagnostic tools.
