

Road Traffic Fatalities Passengers, Pedestrians, Pathologists and Police

Friday 19 June 2009 - (5 CPD credits)

To be held at The Royal College of Pathologists, 2 Carlton House Terrace, London, SW1Y 5AF

In addition to considering the pathological aspects of road traffic deaths this symposium will address the related legal issues that pathologists may face.

The content will be suitable both for Consultants undertaking coroners' post-mortems and for trainees who will see the context in which this type of work is performed.
