

The Royal College of Pathologists
Pathology: the science behind the cure

Achievement Awards 2021

Nominate your team or colleagues

Celebrate excellence in pathology practice and promote high standards in pathology education, training and research to deliver the best patient care.

Deadline for nominations:
midday on **Monday 4 October**

Nominations are welcome for those of any professional background or discipline for:

- **patient safety**
- **innovation in pathology practice**
- **significant contribution to specialty**
- **contribution to education.**

Winners will be presented their awards virtually as part of the College Council meeting on Thursday 18 November.
