

## Educational Update

**Friday 26 November 2021**

**10:00am-12:00pm**

### Aims and objectives

The main aim of this remotely-held meeting (Zoom webinar) is to provide an 'Educational Update' from Professor Sheona MacLeod whose address will focus on new developments in medical education and training and maintaining our workforce supply, particularly post COVID-19. The meeting will also provide information on the medical licensing assessment in relation to pathology training, practical advice on implementing the new curricula and updates on examinations and the Pathology Portal.

This meeting is relevant to all those involved in the delivery of pathology training – including trainers, assessors, and senior trainees preparing to become consultants.

### Programme

|                             |  |

## General information

### Registration

- We look forward to seeing you at this free remotely-held Educational Update event.
- Please register here – [Registration link](#)
- Registration will close at 5:00pm on Thursday, 25 November 2021.
- All the talks will be recorded. Attendees will be sent an email notification when the recordings are available to view on the College website.

### Evaluation

A link to the evaluation form for your feedback will be sent via email a few days after the meeting.

### Continuing Professional Development (CPD)

You may claim a maximum of **2 CPD credits** in the professional category for full attendance at this meeting. Although a list of attendee names will be retained, please note that you must self-accredit as no CPD certificates will be sent. Participation in this event will provide supporting evidence towards meeting the GMC standards for ongoing Trainer recognition.
