Pathology: the science behind the cure

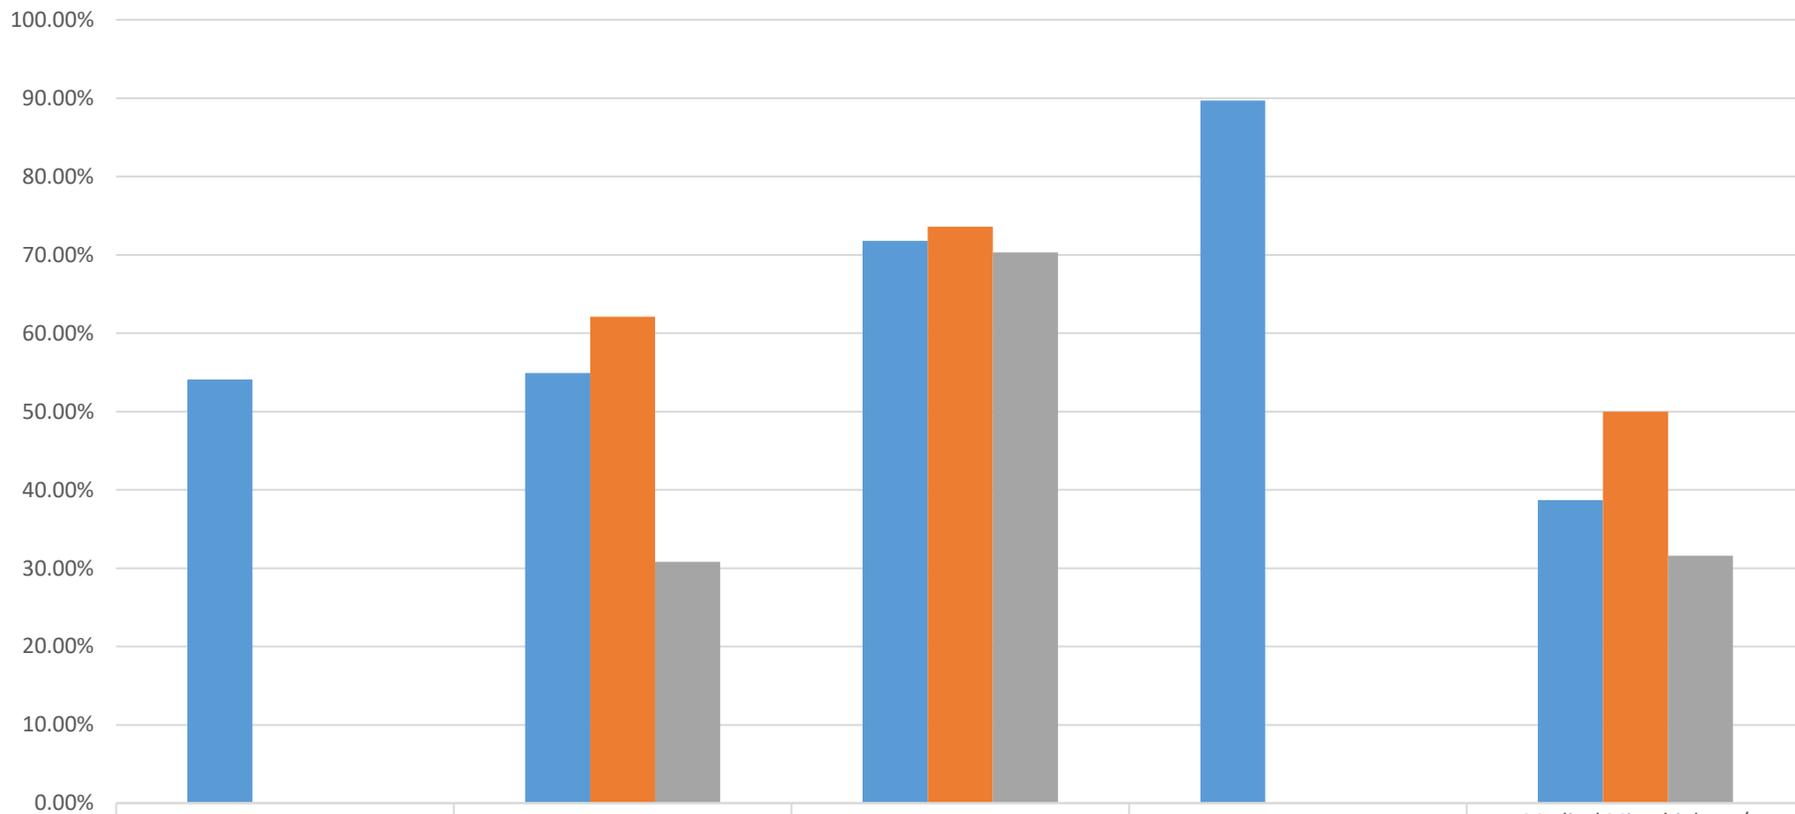

Candidate performance in FRCPPath Part 1 examinations Spring 2019

Of the 787 candidates who sat FRCPPath examinations in Spring 2019, 413 were Part 1 candidates.

Candidate performance in individual FRCPPath Part 1 examinations

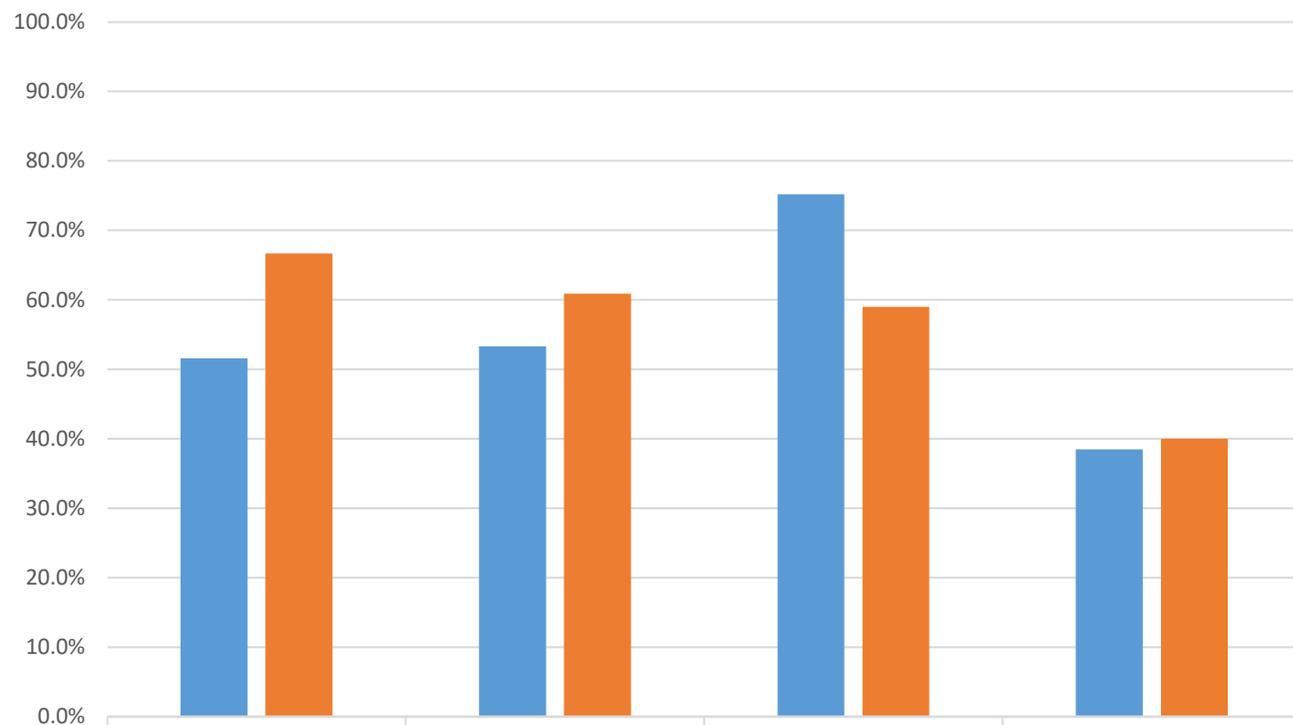

Where possible, the Royal College of Pathologists will publish exam outcome information broken down by specialty. To preserve candidates' anonymity, such information will only be published where the examination, or part of the examination, has six or more candidates. Please note that depending on fluctuations in numbers of candidates between sessions, it may not be possible for the College to provide data for some specialties in any or every performance report.
