Getting it right for the patient, are we good enough? ... the next steps

Date: 12 May 2026

Location: Virtual event

CPD credits: 3

This work has the patient at the centre and our debate this time will look at : Do we know what good looks like for a patient and what do we do if we are not good enough? We want to use this webinar as an opportunity to uncover problems that have affected patient outcomes that we may not be aware of.
