Microbiology Society Annual Meeting in Ireland

Date: 4–5 November 2025

Location: Hodson Bay Hotel, Roscommon Road, Athlone, N37 XR82, Ireland

CPD credits: 12

This meeting will build on the strength of Microbiology in Ireland across all thematic areas of research, while at the same time acting as a meeting place to encourage new collaborations and new ideas to flourish. It will also provide a range of opportunities for early career researchers to present their work in offered oral presentations, flash talks, and posters. This will also be an excellent opportunity for researchers and educators to make connections and develop innovations around the teaching of Microbiology on the island and to explore new initiatives in public/policy engagement.
