The Royal College of Pathologists
Pathology: the science behind the cure

CPD-accredited events October–March 2027

Find out details of events that have been accredited for CPD by the College.

Published: 28 September 2026 **Author: The CPD team**

Our full programme of continuing professional development (CPD) events can be found on the members' website.

RCPath CPD-accredited online resources can be found here.

October 2026 Bulletin

2nd Immunodeficiency faculty meeting: Immune Failure - Cases from the Edge of Diagnosis

Date: 29 October 2026

Location: Virtual event

CPD credits: 2

Register now for the 2nd Immunodeficiency Faculty Meeting to join expert case discussions on complex immune failure and diagnostic challenges.

http://www.rcpath.org/event/2nd-immunodeficiency-faculty-meeting-immune-failure-cases-from-the-edge-of-diagnosis.html

Behaviour change and Infection Prevention and Control (IPC) (Insight Webinar)

Date: 4 November 2026

Location: Virtual event

CPD credit: 1

Join this Insight Webinar to explore how behavioural science can revolutionise IPC practices in healthcare settings and learn how human behaviour shapes infection risk and how evidence-based interventions can enhance patient safety.

Healthcare Infection Society (HIS) Outbreaks Training Course

Date: 5 November 2026

Location: Healthcare Infection Society, Montagu House, 7E Wakefield Street, London, WC1N 1PG, United Kingdom

CPD credits: 6

This course combines taught and practical sessions with opportunities for dialogue around outbreak management.

http://www.rcpath.org/event/healthcare-infection-society-his-outbreaks-training-course.html

British Society of Blood and Marrow Transplantation and Cellular Therapy (BSBMTCT) Education Day

Date: 5 November 2026

Location: Hybrid and Cavendish Conference Centre, 22 Duchess Mews, London, W1G 9DT, United Kingdom

CPD credits: 5

The BSBMTCT Education Day programme will include high calibre lectures covering current issues in haematopoietic cell transplantation and cellular therapies. The hybrid format will offer delegates with difficulty travelling to London the option to watch a live stream.

http://www.rcpath.org/event/british-society-of-blood-and-marrow-transplantation-and-cellular-therapy-bsbmtct-education-day.html

Birmingham Breast Pathology Update Course 2026

Date: 6 November 2026

Location: Virtual event

CPD credits: 7

http://www.rcpath.org/event/birmingham-breast-pathology-update-course-2026.html

UK Lymphoma Research Group

Date: 6 November 2026

Location: The Royal Society of Medicine, 1 Wimpole Streeet, London, W1G 0AE, UK and online

CPD credits: 6

This meeting will include a full day review of clinical trials by members of the UK Lymphoma Research Group. The format will be short presentations and discussion.

http://www.rcpath.org/event/uk-lymphoma-research-group-2.html

Leeds Lymphoma Course

Date: 09–11 November 2026

Location: Virtual event

CPD credits: 11

This online course is a practical, comprehensive guide to lymphoma pathology, covering the essential principles and diagnostic challenges of haematopathology.

http://www.rcpath.org/event/leeds-lymphoma-course-2.html

UK Myeloma Society Autumn Day

Date: 11 November 2026

Location: Cavendish Conference Centre, 22 Duchess Mews, London, W1G 9DT, United Kingdom

CPD credits: 5

The UK Myeloma Society Autumn Day theme is Incorporating Latest Developments into Clinical Practice – Diagnostics, Novel Therapies and MDT Dilemmas. The Michael Morley lecture – New developments in first line therapy – will be delivered by Dr Francesca Gay from Turin.

http://www.rcpath.org/event/uk-myeloma-society-autumn-day-3.html

UK Forum on Haemoglobin Disorders (UKFHD) 62nd Academic Meeting

Date: 17 November 2026

Location: Cavendish Conference Centre, 22 Duchess Mews, London, W1G 9DT, United Kingdom

CPD credits: 6

The programme for the UK Forum on Haemoglobin Disorders 58th Academic Meeting will include lectures covering current issues for healthcare professionals caring for patients with an inherited haemoglobin disorder.

http://www.rcpath.org/event/uk-forum-on-haemoglobin-disorders-ukfhd-62nd-academic-meeting.html

BAUP Annual Meeting with Uropathology EQA Circulation

Date: 20 November 2026

Location: Royal College of Pathologists, 6 Alie Street , London, E1 8QT, United Kingdom

CPD credits: 7

A multidisciplinary theme with clinical and pathology talks.

https://www.rcpath.org/event/baup-annual-meeting-with-uropathology-eqa-circulation.html

Myeloproliferative Neoplasms Advances Day 2026

Date: 20 November 2026

Location: 1 Basinghall Avenue, London, EV2V 5DD, United Kingdom

CPD credits: 6

This meeting will include talks covering the breadth of MPN and closely related disorders with sessions covering the current status of the MPN Study Group, common issues in managing disease complications, early stage disease updates and research and new guidelines in the UK.

http://www.rcpath.org/event/myeloproliferative-neoplasms-advances-day-2026.html

British Lymphoma Pathology Group (BLPG) Autumn Meeting 2026

Date: 20 November 2026

Location: Friends House, 173 Euston Road , London, NW1 2BJ , United Kingdom

CPD credits: 7

An annual BLPG meeting. This hybrid 1-day event featuring international guest speakers will deliver updates and offer practical guidance and expert perspectives on applying the latest diagnostic criteria in haematopathology practice.

http://www.rcpath.org/event/british-lymphoma-pathology-group-blpg-autumn-meeting-2026.html

British Society for Antimicrobial Chemotherapy (BSAC) Antibiotic Resistance and Mechanisms (ARM) Workshop for Researchers 2026

Date: 25–26 November 2026

Location: The Birmingham Conference and Events Centre (BCEC), Hill Street, Birmingham, B5 4EW, United Kingdom

CPD credits: 8

Our 2026 workshop will offer members of the UK community researching mechanisms of antimicrobial resistance the opportunity to meet, to consolidate and extend the expertise held within individual laboratories in the United Kingdom. This in-person workshop will provide a much needed forum to allow the sharing of knowledge between all grades of researchers, including PhD students and technicians.

http://www.rcpath.org/event/british-society-for-antimicrobial-chemotherapy-bsac-antibiotic-resistance-and-mechanisms-arm-workshop-for-researchers-2026.html

9th Annual Meeting of the Association of Breast Pathology

Date: 27–28 November 2026

Location: The Royal Society of Medicine, 1 Wimpole Street, London, W1G 0AE, United Kingdom

CPD credits: 10

Join us for 1 and a half days of engaging talks, practical lectures, case-based discussions and the latest updates in breast pathology. It's a great opportunity to learn from experts, share experiences and connect with colleagues from across the field.

http://www.rcpath.org/event/9th-annual-meeting-of-the-association-of-breast-pathology.html

The British Society for Immunology (BSI) Congress 2026

Date: 30 November–3 December 2026

Location: SEC Glasgow, Scottish Event Campus, Glasgow, G3 8YW, United Kingdom

CPD credits: 28

We’re excited to welcome over 1,500 attendees from the immunology community to SEC Glasgow for BSI Congress 2026.

http://www.rcpath.org/event/the-british-society-for-immunology-bsi-congress-2026.html

International Congress of Antimicrobial Chemotherapy (ICC)

Date: 7–9 December 2026

Location: SMX Convention Center Manila, Mall of Asia Complex, Pasay City, Metro Manila, 1300, Philippines

CPD credits: 28

Keynote lectures, plenary lectures, parallel symposia, industry satellite symposia. Topics include antimicrobial resistance / stewardship, emerging pathogens, HIV, Candida and antifungal resistance, viral hepatitis, IPC, future pandemic preparedness, antibiotic shortages, how to get your paper published, Dengue Vaccination in the Philippines, Travel Vaccination, PK / PD, AMR diagnostics, award lectures, and AMR therapeutics.

http://www.rcpath.org/event/international-congress-of-antimicrobial-chemotherapy-icc.html

Dry surface biofilms: implication for Infection Prevention and Control (IPC) (Insight Webinar)

Date: 9 December 2026

Location: Virtual event, United Kingdom

CPD credit: 1

This session will explore the prevalence of dry surface biofilms, their role in environmental contamination, and why they present a unique challenge for cleaning, disinfection, and IPC teams.

http://www.rcpath.org/event/dry-surface-biofilms-implication-for-infection-prevention-and-control-ipc-insight-webinar.html

13th Digital Pathology & AI Congress: Europe

Date: 9–10 December 2026

Location: Novotel London West, 1 Shortlands, Hammersmith, London , W6 8DR , United Kingdom

CPD credits: 11

This congress will explore how laboratories can unlock the full potential of digital pathology & AI to support scalability, productivity and collaboration within the field and ultimately, improve patient care.

http://www.rcpath.org/event/13th-digital-pathology-ai-congress-europe.html

Pathology Study Day

Date: 8 March 2027

Location: The Christie NHS FT , Education Centre (Dept 17), Wilmslow Road, Manchester, M20 4BX, United Kingdom

CPD credits: 5

The Pathology Study Day will provide a basic understanding of the broad range of services provided within pathology, highlighting the critical role of pathology in clinical care pathways.
