Trust/Deanery

RCPath action

AoMRC action

GMC action

Trainee submits completed application form to RCPath & pays non-refundable administration fee.

Trusts/Deaneries with vacancies contact RCPath & complete placement details form.

Trust returns the trainee's score sheet to RCPath by the specified deadline.

RCPath checks application & Trust placement details form. Successful applicants are matched with vacant training posts.

RCPath sends out reference requests for successful applicants ahead of their interview.

RCPath schedules interview date/time with the Trust. Trainee is invited to interview via video link. Candidates are interviewed by two Trust consultants (including their educational supervisor). Successful applicants informed.

RCPath notifies unsuccessful applicants and places them on a waiting list (if applicable).

RCPath notifies successful candidates.

Both the Applicant and Trust confirms job offer.

RCPath sends the CoS and AoMRC application form to the Trainee's Educational Supervisor.

The Trainee's educational supervisor makes an application for a Tier 5 visa with the AoMRC on their behalf.

RCPath forwards the GMC email to the AoMRC. This is also sent to the Trust along with a copy of their passport.

Trainee pays additional Year 1/2 charges.

Trainee starts their online GMC registration and sends requested documentation to the GMC.

Trust completes AoMRC application form and sends to AoMRC with the CoS attached.

Trainee sends GMC confirmation email to RCPath.

GMC assess application and if approved the doctor is invited to attend an ID check at the GMC offices.

The AoMRC processes the application and if approved issues the CoS required for the visa.

Trainee books an appointment with the GMC, to complete their ID check once they arrive in the UK.

Trust may assign the Trainee a 'Buddy'.

Trainee starts their post.

Trust sends the Trainee any paperwork that must be completed & informs them of any checks required.

Trainee notifies the Trust & RCPath once their Tier 5 visa is granted.

Trust arranges suitable induction & submits the AoMRC starters report within 5 working days of the Trainee's start date.

Trainee travels to the UK & attends ID check at the GMC upon arrival in the UK.

RCPath gives trainee access to LEPT.
