

New LEPT system

Chemical Pathology and Cellular Pathology

Trainees who started pathology training from August 2021 in the above specialties are required to use the new LEPT system, launched on Tuesday, 28 September 2021.

The Learning Environment for Pathology Trainees (LEPT) system is an ePortfolio which is designed to capture trainees' progress during training. It records workplace-based assessments including multi-source feedback (MSF) and a functionality to support the Annual Review of Competence Progression (ARCP) process. The ePortfolio also provides the Educational Supervisor Structured Report (ESSR) which gives a snapshot of a year's training which is used to inform the ARCP.

The new LEPT system has been developed to support the new curricula published in August 2021. It includes new workplace-based assessments (Supervised Learning Events) and additional functionality to support the ARCP process, including a built-in ARCP outcome form. Trainees who started pathology training prior to August 2021 will begin to move over to this new LEPT platform from Spring 2022 after their transition confirmation at the ARCP panel meeting.

Please find below a schedule of bite-size live LEPT demonstration sessions which will be held remotely. Trainees who started training from August 2021 are invited to attend one or more of these sessions whether wholly or partially as it will depend on availability. Other interested LEPT users can also attend but places will be firstly allocated to first year trainees. Please click on the link or links to register for the webinar(s) that you would like to attend. You will need to register for each webinar separately. Do note that you must register at least 2 days in advance of any of the offered dates. After registering your attendance, you will receive a confirmation email containing information about joining the webinar(s).

	Day	Date	Time	Main LEPT topic
1	Wednesday	13 October 2021	2:00pm – 3:00pm	Workplace-based assessments
Registration link: https://us02web.zoom.us/webinar/register/WN_4IzyNLBXQvamhy3ULpMUtQ				
2	Monday	18 October 2021	12:30pm – 1:30pm	Training development
Registration link: https://us02web.zoom.us/webinar/register/WN_3hwlqprITDaLD5rDe33bWA				
3	Friday	22 October 2021	10:30am – 11:30am	Resources
Registration link: https://us02web.zoom.us/webinar/register/WN_u-BdD8LqT72AYru2jnlvwQ				

At each session we will provide instructions and helpful tips for the different topics outlined above and other functionalities too, if time allows. Attendees will also be able to ask questions.

Please note that the functionalities for MSF, the ARCP outcome form and the ESSR form will be launched at a later date. LEPT demonstration sessions will be held for these too for which you will be notified.

Presenters/Facilitators for the LEPT bite-size demos

Joanne Brinklow, Director of Learning, RCPATH

Sandra Dewar-Creighton, Assessment Manager/LEPT Project Manager, RCPATH

Natalia Foley, LEPT Project Manager, Premier IT

Jenny Maginley, Training Manager, RCPATH

Bill West, Training Co-ordinator, RCPATH

We look forward to your attendance.

Sandra Dewar-Creighton

Assessment Manager
