

Patient safety awareness week

17–24 September 2021

Are you patient safety aware?

Join the College's patient safety awareness week to help raise awareness of patient safety and improve the pathology services we provide to patients.

- Interact with our **infographics** on the journey of a blood sugar sample.
- Watch a **video interview** about re-deployment to the NHS Nightingale Hospital.
- Read articles on **patient safety** during the pandemic.
- Read our new **patient safety bulletins**.
- Watch our **CQI/patient safety videos** and listen to our podcasts.
- Explore our **patient safety resources**.
