

## Overview of Multi-source feedback dates 2017-18

### ST1/ST3 trainees starting specialty training from August 2017

**For trainees in the following specialties:**

- ST1 Chemical Pathology and ST3 Chemical Pathology (Metabolic Medicine)
- ST1 Histopathology

Please note that the following dates are advisory and take into account:

- Trainees logging-in to the LEPT system so that they can complete and submit their MSF self-assessment forms and submit a list of nominated assessors
- Educational Supervisors approving the list of assessors as proposed by trainees
- Assessors submitting their MSF assessment ratings
