

Appendix A WHO classification and SNOMED ‘M’ coding of surface epithelial neoplasms

Morphology	SNOMED 2/3 code	SNOMED CT terminology	SNOMED CT code
Serous tumours			
Low-grade serous carcinoma	M84603	Low-grade serous carcinoma (morphologic abnormality)	703561001
High-grade serous carcinoma	M84413	High-grade serous carcinoma (morphologic abnormality)	703563003
Serous tubal intraepithelial carcinoma	M84412	Serous intraepithelial carcinoma (morphologic abnormality)	703558002
Serous borderline tumour	M84421	Serous cystadenoma, borderline malignancy (morphologic abnormality)	128849004
Serous borderline tumour, micropapillary variant	M84602	Serous borderline tumour, micropapillary variant (morphologic abnormality)	703559005
Serous cystadenoma	M84410	Serous cystadenoma (morphologic abnormality)	51608009
Serous adenofibroma	M90140	Serous adenofibroma (morphologic abnormality)	2026006
Serous surface papilloma	M84610	Serous surface papilloma (morphologic abnormality)	67073007
Mucinous tumours			
Mucinous carcinoma	M84803	Mucinous adenocarcinoma (morphologic abnormality)	72495009
Mucinous borderline tumour	M84721	Mucinous cystic tumour of borderline malignancy (morphologic abnormality)	128852007
Mucinous cystadenoma	M84700	Mucinous cystadenoma (morphologic abnormality)	67182003
Mucinous adenofibroma	M90150	Mucinous adenofibroma (morphologic abnormality)	10705005
Endometrioid tumours			

Endometrioid carcinoma	M83803	Endometrioid carcinoma (morphologic abnormality)	30289006
Endometrioid borderline tumour	M83801	Endometrioid adenoma, borderline malignancy (morphologic abnormality)	75987005
Endometriotic cyst	M76500	Endometriotic cyst (morphologic abnormality)	103678008
Endometrioid cystadenoma	M83800	Endometrioid adenoma (morphologic abnormality)	71106006
Endometrioid adenofibroma	M83810	Endometrioid adenofibroma (morphologic abnormality)	20829008
Clear cell tumours			
Clear cell carcinoma	M83103	Clear cell adenocarcinoma (morphologic abnormality)	30546008
Clear cell borderline tumour	M83103	Clear cell adenofibroma of borderline malignancy (morphologic abnormality)	128890001
Clear cell cystadenoma	M84430	Clear cell cystadenoma (morphologic abnormality)	128687009
Clear cell adenofibroma	M83130	Clear cell adenofibroma (morphologic abnormality)	58161009
Brenner tumours			
Malignant Brenner tumour	90003	Brenner tumour, malignant (morphologic abnormality)	42194009
Borderline Brenner tumour	90001	Brenner tumour, borderline malignancy (morphologic abnormality)	89996007
Brenner tumour	90000	Benign Brenner tumor (morphologic abnormality)	253051001
Seromucinous tumours			
Seromucinous borderline tumour	84741	Seromucinous borderline tumour (morphologic abnormality)	703565005
Seromucinous cystadenoma	84740	Seromucinous cystadenoma (morphologic abnormality)	703564009
Seromucinous adenofibroma	90140	Seromucinous adenofibroma (morphologic abnormality)	703652007
Mixed epithelial tumours (specify components)			

Malignant	M83233	Mixed cell adenocarcinoma (morphologic abnormality)	3895800
Borderline	M83231	Mixed epithelial tumour of borderline malignancy (morphologic abnormality)	399417005
Benign	M83230	Mixed cell adenoma (morphologic abnormality)	89773001
Undifferentiated and unclassified tumours			
Undifferentiated carcinoma	M80203	Carcinoma, undifferentiated (morphologic abnormality)	38549000
Adenocarcinoma, not otherwise specified	M81403	Adenocarcinoma (morphologic abnormality)	1187332001
