

Educational Update

Friday 25 November 2022

10:00am-12:00pm

Aims and objectives

The main aim of this remotely-held meeting (Zoom webinar) is to provide an 'Educational Update' on training and assessment, examinations and the recently launched, Pathology Portal.

This year's esteemed guest speaker is Professor Kamila Hawthorne who will share her experience about tackling differential attainment in medical education.

This meeting is relevant to all those involved in the delivery of pathology training – including trainers, assessors, and senior trainees preparing to become consultants.
