Completing a Medical Certificate of Cause of Death: process when the attending physician is not available

Do you know the cause of death?

- Yes
- No

Was the deceased seen by any doctor in the 28 days before death?*

- Yes
- No

Was the deceased seen by any doctor after death (including verification of death)?**

- Yes
- No

Refer the case to the coroner.

The coroner decides that no further investigation is needed and issues a Form 100A.

The coroner decides to investigate further. You do not need to complete the MCCD or Crem Form 4.

You can complete the MCCD and Crem Form 4. You do not need to see the deceased.

* Video/teleconference is acceptable
** The body must be seen in person
