

Paola Domizio Undergraduate Essay Prize 2022

**Enter by
25 April 2022**

Are you a medical, biological or veterinary undergraduate with aspirations to become a pathologist?

This competition is an opportunity to explore the impact of pathology.

Essays should be no longer than 1000 words and should answer the question:

'Which one scientific discovery or pathologist has had the most significant impact on medicine/pathology in the last 60 years?'
