

Patient safety awareness week

8–14 March 2020

Are you patient safety aware?

Join the College's patient safety awareness week to help raise awareness of patient safety and improve the pathology services we provide to patients.

- Listen to our **podcast conversations** between clinicians and patients.
- Watch **videos of our members discussing cases** to foster a safety culture of no blame and shame.
- Take part in our **photo pledge**.
- Enter our **essay competition**.
